

Guidance Regarding Sell Through Periods

** The Virginia Tobacco Directory (Recent Changes Section) will indicate whether a product is delisted (involuntary) or removed (voluntary). That distinction is important because of the deadlines described below pursuant to Virginia Code §3.2-4207.

For Stampers

If product was **DELISTED** - -

stamper has 45 days from directory delisting date to stamp and sell product; after that it can be seized

If product was **REMOVED** - -

stamper has 60 days from directory removal date to stamp and sell product; after that it can be seized

For Retailers

If product was **DELISTED** - -

retailer has 90 days from directory delisting date to sell product; after that it can be seized

If product was **REMOVED** - -

retailer has 120 days from directory removal date to sell product; after that it can be seized
